CDPH Visit Log

Event Date	Res ID	Self-Report "S" Complaint "C"	Event Description	Date Of Visit	State Investigator	Case Number	Substantiated "S" Unsubstantiated "U"	Resolve Date
00/00/00	Aaa.Bbb	S	Fall w/fracture	00/00/00	C. Roast	1111111111	U	00/00/00

*The entry is logged by the facility at the time of the self-report (date of event), and then the date of visit would be logged when the investigator presents at the facility. If it is a complaint event, the date of visit would be logged when the investigator presents at the facility, and the event date would be filled in when the facility is made aware by the investigator.
