

CDPH Plan for "The -REDACTED- Skilled Nursing Facility"  
123 Redacted Way, Yuba City CA, 956xx  
**Our Plan to Readmit**

**We have 90 non-ambulatory residents, and 31 ambulatory residents to readmit to the facility:**

- -Redacted- evacuated 121 residents to 17 Skilled Nursing Facilities (SNF) and resident homes.
- -Redacted- plans to bring residents back in small groups to our facility Friday, Saturday, Sunday and Monday 2/17-2/20.
- We will first reach out to the residents located nearby and transfer them back to our facility via our bus.
- Some families have agreed to bring their family members to our facility, -Redacted- will reach out to the non-emergency medical transportation companies to provide transportation to the residents.
- We have agreements in place with the facilities that have accepted our residents. In the agreement the facilities that have accepted our residents during this evacuation, in case of a new emergency evacuation the SNF will hold our beds until Friday February 24, 2017.
- Our Life Safety Officer assessed the external and internal environment to ensure resident safety return upon arrival.
- The food supply has been replenished to ensure that adequate food is on hand to accommodate for the licensed beds
- The Environmental Service team has cleaned, organized, and cleared all resident rooms and common areas
- Upon arrival staff will be assigned to ensure resident assessments, order clarifications, physician orders, care plans and drug regimens are verified
- Activities will resume per the calendar
- Rehab department is ready to assist
- Vendors are available to provide supplies, food, and non-perishables

Our facility will maintain proper staffing, we recognize that the state minimum is 3.2 but we will staff according to acuity. We will have an IDT team (Nursing, Social Services, Rehab, Treatment Nurse, etc.) in place as well as the pharmacist and physician on call or on site to assist with the admission process.

Our facility will continue to monitor the weather and Oroville dam to make sure that we are well informed of any potential evacuations. This plan is subject to change due to any to weather conditions or unforeseen circumstances.
