DEVELOPMENTAL SERVICES CONFERENCE

SPONSORS

A '**BIG**' thank you to our SPONSORS....

Therap (Star Sponsor)

Therap Services is a web-based service organization that provides an integrated solution for documentation, reporting and communication needs of agencies providing support to people with developmental disabilities. The Therap Training Academy offers courses for a variety of users: nurses, direct support professionals, management, auditors, family and more.

Pharmacy Alternatives California

Pharmacy Alternatives is a specialized pharmacy focused on serving individuals with cognitive, intellectual and developmental disabilities. One of only a few pharmacies in the nation that specialize in serving special-needs populations. Pharmacy Alternatives is the gracious sponsor of the lunch.

Mountain View Services

Fully licensed dietary programs; on-site in service training on products and menus; full daily menu grocery supplies; weekly delivery of groceries, including bread, dairy, dry food, meat, produce and frozen foods; budgetary controls to ensure facility compliance; special dietary menus such as diabetic, gluten free, and Prader-Willi menus.

Meals for All

Meals for All meets the needs of small health care facilities - a separate turnkey 'Residential Package' to meet their needs for emergency preparedness. It is quite cost effective with a ten-year shelf life --- get it and forget it!
