SAMPLE- A completed schedule for the entire program must be submitted. Ensure that the minimum number of theory hours and clinical hours are met for each topic. Prior to any direct patient contact, a total of sixteen (16) hours of federal training shall be provided in prescribed topics (see CDPH 276C). This requirement is met if all theory components of the following modules are taught prior to clinical training. Modules 1,2,3,4,5,6,12,14; and one additional hour from either 8E, 8H, 15A, 15C, 16C. This form is available at this website: www.cdph.ca.gov
