Visual 5.2

Review and Update Manual/ Plan

- ◆ Update Emergency and non-emergency Contact numbers
- ◆ Visit and Update Mutual Aid Agreements
- ◆ Have local Emergency Manager Review and approve Manual/Plan

Visual 5.3

Review and Update Manual/ Plan

- ◆ Utilize The SNF Disaster Preparedness Plan Tool
- ◆ Require review of plan by employees
- ◆ Leave portions of the plan available for review
 - Nurses Station or more importantly, Break Room

Visual 5.4

Review and Update Manual/ Plan

- ◆ Manual should be user friendly
- ◆ Manual should be readily available
- ◆ Maintain Manual in a digital format
- ◆ Know the *Content of the Manual*

Visual 5.5

Preparation and Participation by Key Players

- ◆ Preparation for a *Disaster Drill Exercise* starts with the Administrator, Department Heads, Staff Developer and Charge Nurses
 - How much you put into it= How much you get out of it.
 - Meet with your Department Heads prior to any exercise
 - Give your Department Heads, expectations of their department's performance
