Here we go, "Back to the Future". Our 2008 DD Symposium is going to be held at the beautiful Mission Inn in Riverside on May 5th & 6th. This is more than a month earlier than in past years.

This, of course, means that your nomination for Most Valued Person is also due earlier. We will select a total of 14 MVPs from 3 categories: 2 RNs; 2 Facility Manager/ QMRPs (combined); and 10 Direct Care Staff. The deadline to send in your nomination is no later than March 31st. Please include a recent photo, a short essay (300 words) that describes how this person has gone above and beyond for the client(s), and how long he/she has worked in long term care and at their current facility.

MVP winners will be selected during the week of April 1st and the nominator (you) will be notified by email during that same week. Besides a commemorative trophy and frameable certificate, all MVP winners will win a complimentary registration to this year's Symposium, "Back to the Future".

As always, CEUs will be abundant and guest speakers entertaining and educational. We look forward to reading about your most valued person and seeing you at this year's Symposium!

Thank you.
