

**Calvin Callaway**

Calvin is a second-generation owner and has been a licensed administrator for more than 25 years, all at the same facility, the Folsom Care Center. The facility was one of only four in California to earn AHCA's Silver – Achievement in Quality Award in 2018. He has served as Chapter President, Regional Chair and on the CAHF Board for 20 consecutive years, serving an additional year as chair following the death of Terry Bane. In 2011, he instituted the Del Callaway Administrative Excellence award, which recognizes a top administrator in the state. The award honors his late father Del, another distinguished CAHF contributor who received the Spindle Award in 1982. Calvin continues to serve on the Convention committee and the AHCA Life & Safety committee and is a frequent contributor to CAHF PAC fundraising events.
