**SUBJECT:** **MDS 3.0 Roster and MDS 3.0 Missing Assessment Reports Issue**

---

An issue was identified with the MDS 3.0 Roster and Missing Assessment reports. These reports are available in the MDS 3.0 NH Provider report category in the CASPER Reporting application.

Periodically, discharged residents appear on the reports. We are working to correct this issue in both reports. The existing reports will continue to be available during this time.

When the issue is corrected, the revised reports will be deployed to production and a follow-up memo will be sent.
