

2019 Elevate Charities Scholarship Program

Quality Care Health Foundation

Deadline: November 30, 2019

All completed applications and supporting documents must be postmarked by November 30, 2019

The scholarship has its origins in the Ensign Foundation, which was established a decade ago by Ensign Services founder Christopher Christensen. Recognizing that seniors were often neglected, the Foundation gives back to the community by helping seniors bridge the gap of basic necessities that Medicare and Medicaid do not cover, such as dentures, hearing aids and glasses. The Ensign Foundation became the HOME Foundation in 2014 and in 2019 was re-named Elevate Charities.

Long-term care employees take the next step in your professional development with the Elevate Charities Scholarship. Every year, this scholarship awards \$5,000 each to four individuals. It is open to those who are ALL of the following:

- Currently employed at a skilled nursing facility in California
- Working towards a CNA-to-LVN, CNA-to-RN, LVN-to-RN or other medical certification working with seniors in the community

Advance your educational goals and career in long-term care, while improving the quality of care you provide to some of the most vulnerable members of our society.
