

CAHF Associate (Vendor) Membership Application
California Association of Health Facilities
2201 K Street, Sacramento, CA 95816
(916) 441-6400 | www.CAHF.org

CAHF Associate membership is only for vendors of products or services. If you or your operation company **owns, operates, manages, or controls** one or more long-term care facilities, the facility entity is required by the CAHF Bylaws to join as a facility member in order to access CAHF benefits.

Associate membership will not be granted for vendor companies if such companies or their affiliated persons or organizations provide a service or act in a manner that is adverse to the interests of facility members of CAHF. Such a determination shall be made by CAHF in its sole discretion.

REQUIRED: Please initial both statements below to confirm you have read and agree to the following:

_____ I understand that Associate membership may not be substituted for facility membership.

_____ I confirm that my vendor company is not affiliated in any way with (or is run by) an entity that owns, operates or controls one or more long-term care facilities and is not a CAHF member.

Membership Dues

Associate membership runs from January through December, and the annual dues of \$1400 can be paid in full by check, or credit card. First-time or new associate members joining after July 1 pay mid-year dues of \$900. All associate memberships expire December 31. Associate member benefits include CAHF Website and Buyer's Guide listings, local chapter participation, member prices, and access to CAHF's professional staff.
