What is the best way to connect with the legislators who represent my chapter?

The best way to invite your legislator to an event would be to send an email with all of the pertinent details of your request (What is the event? When is the event? What is expected of the legislator?). If you don't have a contact for a legislative office, the best thing to do is to call the district office and ask where to send an invitation for an event in their district. However, if you would rather work with CAHF to send an invitation, let [Maddie Robbie](#), Government Affairs Specialist, know and she can help coordinate the logistics.
