How can the chapter get more involved with the legislators who represent the chapter?

There are many opportunities to reach out to the legislators representing your chapter. Here are a few ideas to get started:

- Follow legislators on social media
 - Know about their upcoming constituent events
 - Follow their legislation
 - Foster a relationship with your legislator online
- Invite legislators to chapter meetings
 - Connect them with providers and suppliers in their district
 - Share key legislative updates
- Host a facility tour
 - Showcase resident care and services
 - Introduce legislators to residents and staff
 - Highlight the impact of long-term care in their community
- Celebrate resident and staff milestones
 - Notify district offices about milestone birthdays and staff anniversaries
 - Invite legislators or staff to participate in recognition events

What is the best way to connect with the legislators who represent my chapter?

The best way to invite your legislator to an event would be to send an email with all of the pertinent details of your request (What is the event? When is the event? What is expected of the legislator?). If you don't have a contact for a legislative office, the best thing to do is to call the district office and ask where to send an invitation for an event in their district. However, if you would rather work with CAHF to send an invitation, let [Maddie Robbie](#), Government Affairs Specialist, know and she can help coordinate the logistics.
